FOIA(b)(7) - (D)

On 10/13/69, [redacted] who has furnished reliable information in the past, voluntarily advised the following information concerning the Moratorium Day meeting, 10/12/69, in Oklahoma City, sponsored by TIM WHITE, Director of People Involved in Peace and Equality (PIPE), which was attended by students of several Oklahoma colleges, listed below, and held for the purpose of planning Moratorium Day activities:

TIM WHITE contacted the National Moratorium Committee (NMC), Washington, D.C., several weeks ago concerning the Moratorium in Oklahoma. As a result of this contact, the NMC sent two representatives to Oklahoma City, one of 68 cities designated by NMC as "target cities" to promote Moratorium Day activities. When the two NMC representatives arrived in Oklahoma City about 9/14/69, they were guests of PIPE. The NMC representatives left with WHITE a suggested program to be followed on Moratorium Day, which program included the following: encourage students and others to participate in teach-ins, rallies, class boycotts, pass out antiwar leaflets, wear black arm bands.

Several weeks ago, TIM WHITE contacted [redacted] to seek support of [redacted] group, OU Committee to End the War in Vietnam, and arranged above mentioned meeting on 10/12/69.

On 10/14/69, Lt. Col. JAMES DEFRAVES, Director of Interagency Coordination, Oklahoma Military Department, Oklahoma City, advised the following additional information concerning MD activities:

KEITH WHITTLE of CSC represents no organization but is believed to be heading the anti-war sentiment group at CSC; WHITTLE has indicated an interest in the New Mobilization Committee;

JOE ARMSTRONG of OSU is PATRICK JOE ARMSTRONG who is a member of Americans for Democratic Action, but he had no information that ADA was sponsoring any MD activities;

JOHN PLUMMER of OSU has been involved in draft counselling as a part of a group named Military Status Information Service at OSU, but he had no information that this group was sponsoring any MD activities.

DEFRAVES had no information that any organizations, other than PIPE and the OU CEWV, were sponsoring MD activities.

OC indices concerning above organizations, other than PIPE and the OU CEWV, negative.

Above persons negative in OC indices, except the following:
